ST. AGNES ALUMNI NEWS BULLETIN

1946

First, let us hear from our president, Joe Rosen.

Dear Member:

Last Christmas morning, the nucleus of The St. Agnes Alumni Association was formed. The men who were visiting their Alma Mater held an informal meeting after Midnight Mass. After exchanging war stories and Christmas greetings, our good friend, James Faulk, or as we know him, Coach, gave a stirring talk on the whys and wherefores of an Alumni Association. All the men present readily agreed with him. Through a suggestion by Coach, Joseph Rosen was elected Temporary President of The St. Agnes Alumni Association, referred to from now on as THE SAAA. A temporary Advisory Committee was also set up, consisting of Henry Holdner, Wm. Pizzala, Robert Rosario, Arthur Kingley, and Dan Reilly. As secretary, we nominated John Sullivan, who had helped on our wonderful Newsletter. As Honorary Members and Advisors, we have Mother M. Beatrice, Sister M. Stella, Sister M. Ignatia, and Sister Wm. Vincent.

The purpose of our organization is twofold:

And this is how it all began...
